

Amada (India) Private Limited and centre for CSR & Sustainability Excellence (CCSE), Delhi partnered for upgrading the infrastructure and refurbishment of the premises of a government lower primary school in BK Palya, Jala hobli, Yelahanka taluk, Bengaluru.

AMADA (INDIA) PRIVATE LIMITED has reiterated its commitment to improve quality education amongst primary children through meaningful CSR initiatives and is proud to handover the certificate to the Government Lower Primary School, B K Palya.

The following are the key developments undertaken at the school among many other developments:

- Childrens play area installed with many outdoor play equipments
- Restrooms for the cholder and for the teachers
- Renovation of the kitchen with separate hand wash area
- Entrance pathway with floor tiles
- School name board arch fixed above the main gate
- Creative / educational wall paintings all around the school and many more...

Through a gallery of photographs, a clear picture of before and after implementation is drawn.
